

ASTUS 14.5

BACK TO BASICS

www.astusboats.com

Designed and developed in 2020, the Astus 14.5 is a return to the basics. The Astus 14.5 has been designed to be a more compact support, to find the feeling of gliding, the simple pleasure of being on the water. The Astus 14.5 exists in a prao version (outrigger canoe) or in a trimaran version.

Lightweight and easily transportable, the Astus 14.5 is the nomadic boat for everyone.

MAXIMUM PLEASURE

Find the simple sensation of gliding, to sail, row, fish, canoe... or just get away.

MINIMUM CONSTRAINTS

5 minute solo set-up time, less storage, no more trailers.

COMPACT

With its 25 kg center hull, the Astus 14.5 can be transported on the roof or on a car trailer.

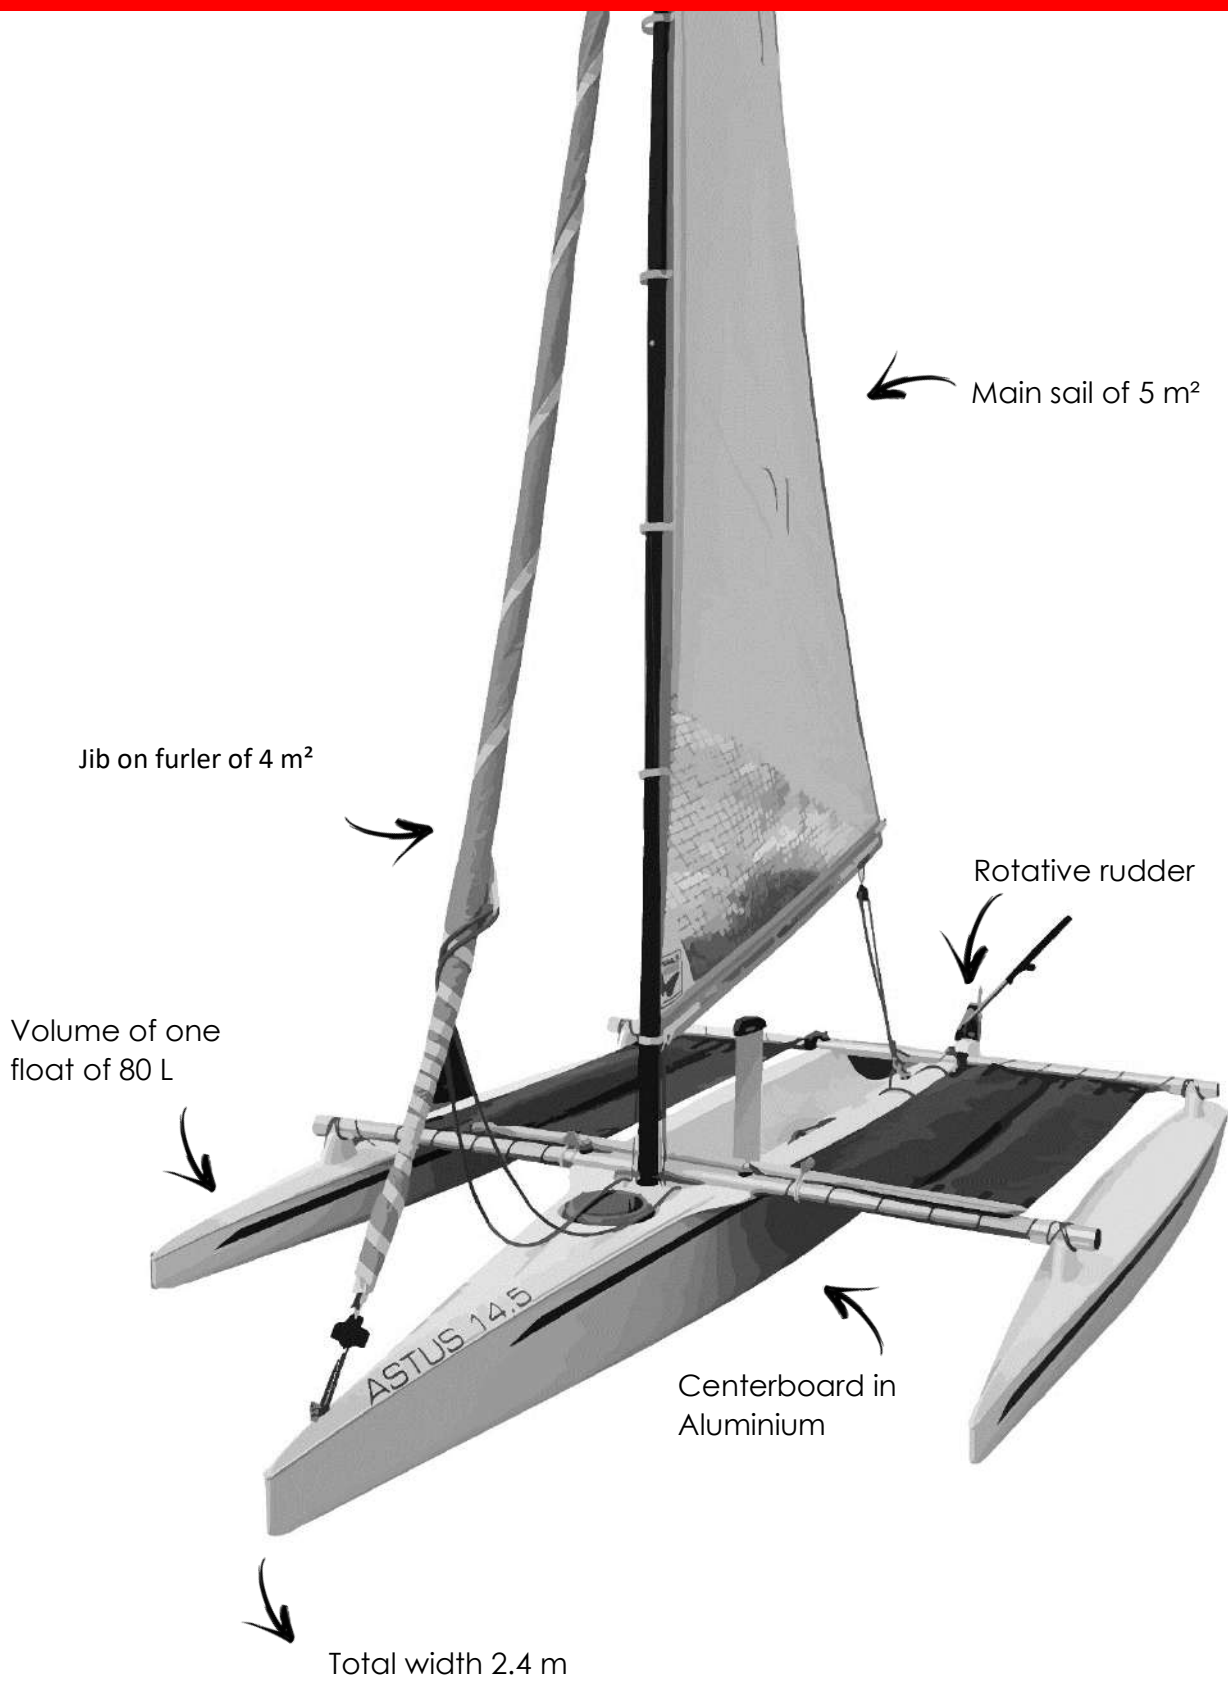

You are free to go wherever you want

NOMAD

With a draft of only 15 centimeters, take the Astus 14.5 anywhere, and enjoy any body of water.

ASTUS 16.5

THE MULTI DINGHY

www.astusboats.com

With its small size, the Astus 16.5 is easier to use. Its large storage box allows you to take on board what you need for great solo or family sailing. As on the other models, the two folding side floats make transport easier.

Its modern shape and sporty design combine performance and efficiency.

COMPACT & TRANSPORTABLE

The Astus 16.5 can be transported without dismantling thanks to its reduced size, which is compatible with the road rule.

ON BOARD

The jib and the gennaker on furler facilitate the maneuvers.

The rudder is pivoting, and the pivoting centerboard is available as an option.

READY TO SAILS

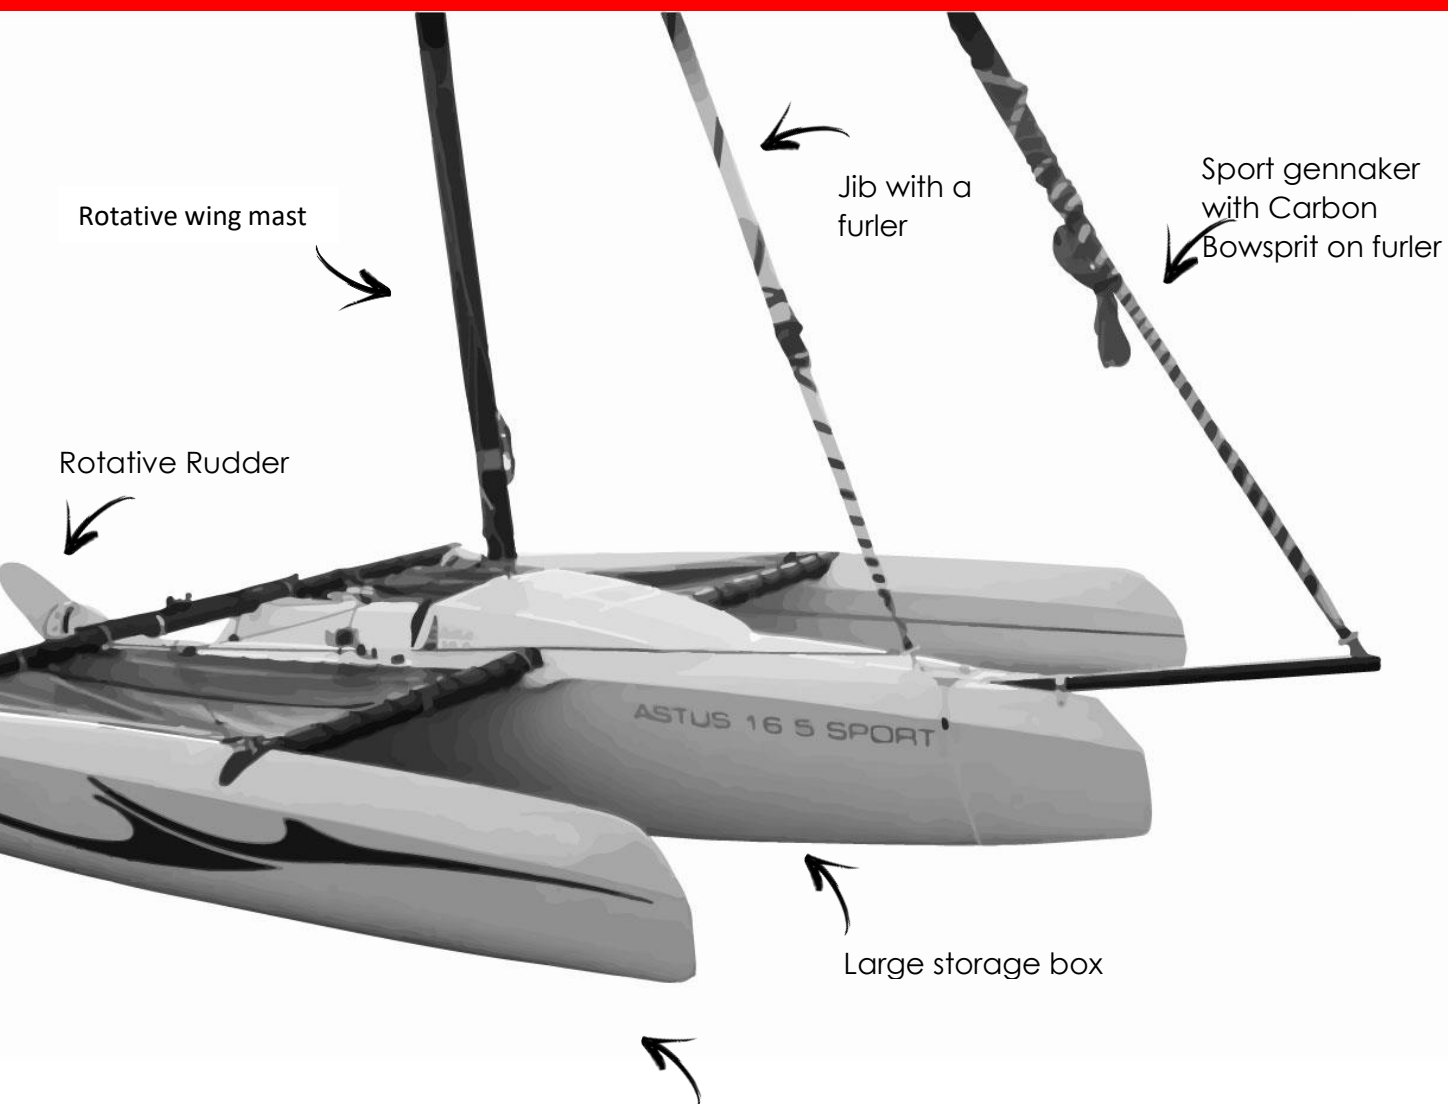

The Astus 16.5 can be used on its own, and the large front storage box allows you to store all your equipment.

COMFORTABLE

The Astus 16.5 has a large 8m² navigation platform.

FEATURES

Volume of one float 500 L

ASTUS 20.5

THE DAY BOAT

www.astusboats.com

Choose the configuration that suits you, according to your navigation style : leisure dayboat, regatta, trekking or coastal camping... Fast : thank you to its exceptionnel weight/sail ratio: 24 m² upwind for 500 kg, (in vacuum process), The two folding side floats make easier the transport without dismantling.

The Astus 20.5 and its double berths can accommodate 2 adults, a kitchen unit and a chemical toilet.

ALL SAILING

The Astus 20.5 is a complete trimaran, which will accompany you in all your projects, from sport sailing to cruising as a couple, as well as a family day out.

SECURITY

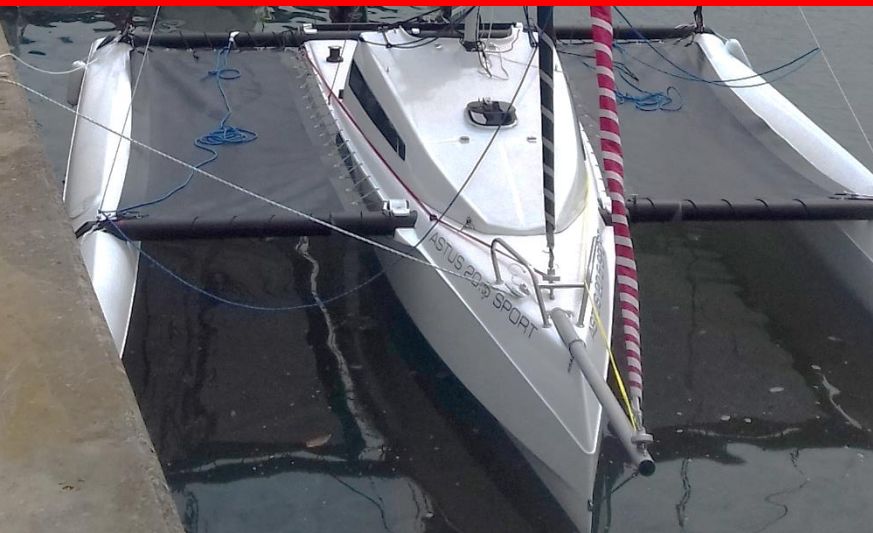

The closed cockpit and the 950-liter floats allow you to secure passengers.

The pivoting daggerboard and rudder facilitate safe solo sailing.

CONFORTABLE

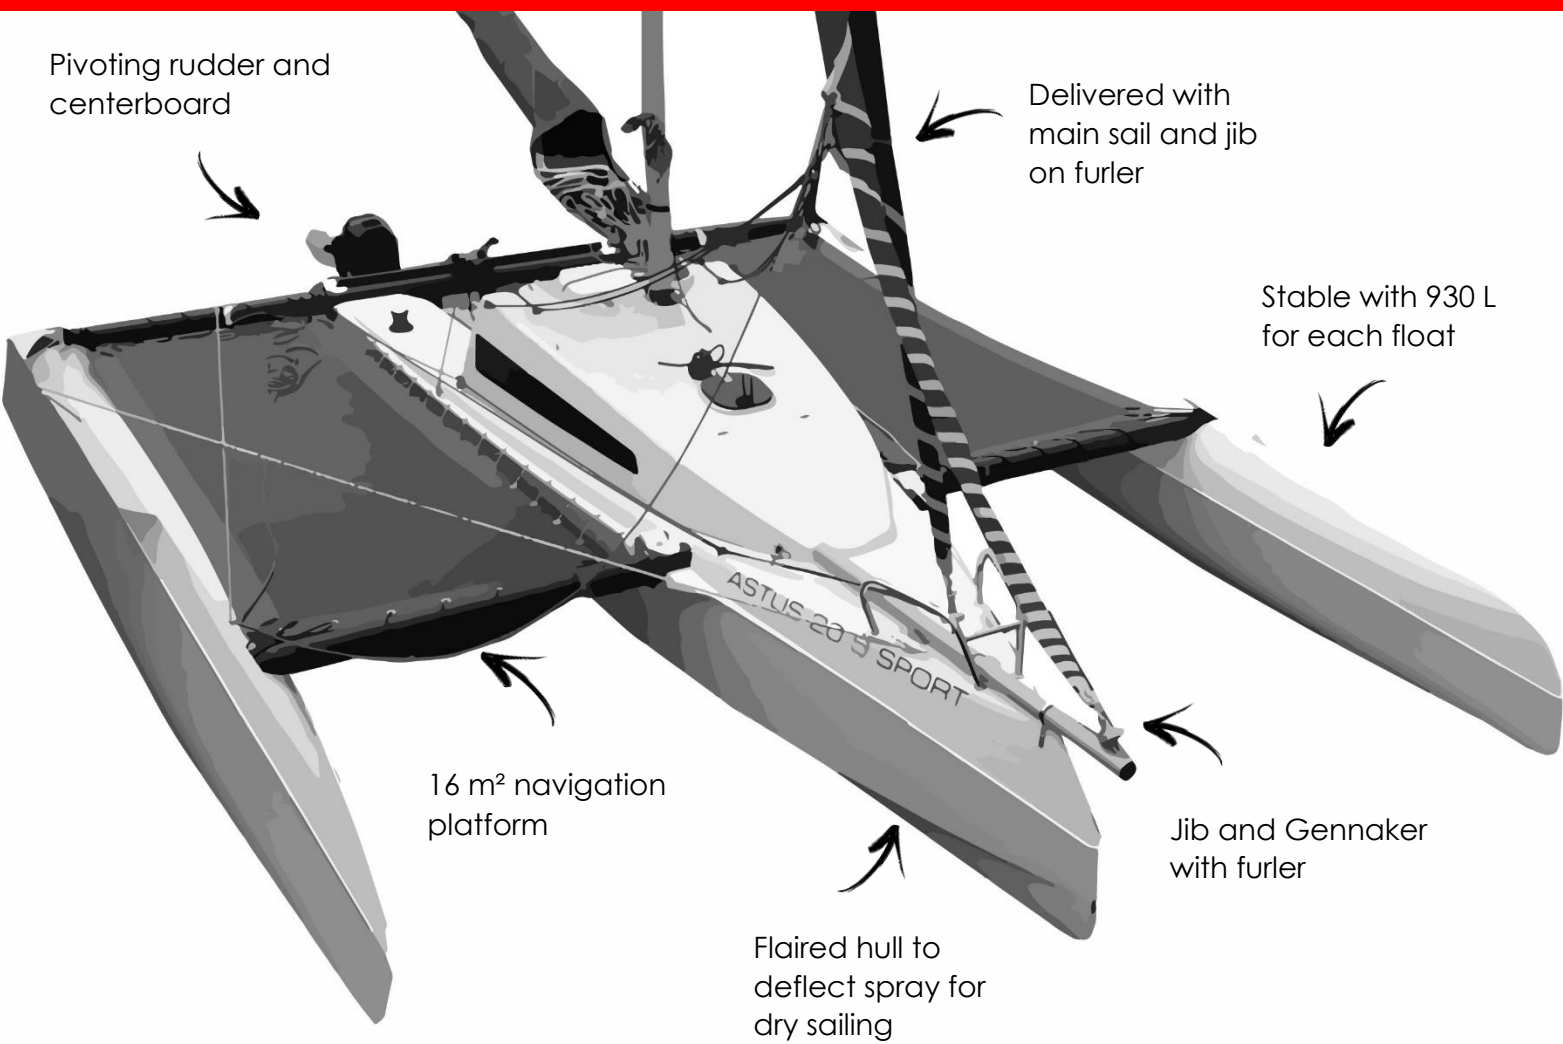

The access door to the cabin is wide, for more comfortable travel and the double front berth of 1.15 m by 2 m long can accommodate two adults.

SPACE

The navigation platform exceeds 16 m² with the 2 large trampolines of 3.50 m long.

ASTUS 22.5

NOMAD CRUISER

www.astusboats.com

Fast and comfortable, the Astus 22.5 is the trimaran of less than 7m, nomad and comfortable. With a buoyancy of 1150 liters per float, it is the ideal compromise between safety and pleasure. With its swivel rudder and centerboard, it provides you access to all creeks in family or solo sailing.

The Astus 22.5 with is 4 berths, kitchen block and chemical toilet will be perfect for small cruising

TRANSPORTABLE

The Astus 22.5 is road legal with a width of 2.52 m when folded on its trailer.

Changing the sailing area is no longer a problem with its folding system of the floats without dismantlement. With the mast rising kit, you are independent to rig your boat.

With a weight of 720kg, it can be pulled by mid-sized vehicles.

Cruising version or sport Version

In the cruising version, you have all you need to spend few days on board ; toilette, water, stove, electronic...

In the sport version, with the sport sails and sport équipements you are ready for speed

LIVING AREA

With a maximum width of 1m70, the central hull can accommodate 4 adults for the night (2 on the double bed at the front (1m40 wide and 2m long) and 2 on the coffin berths (0.5m wide and 2m long each.) During the day, 4 adults can be seated in the saloon. The galley and electronics are available as needed

The Astus 22.5 is ideal for family sailings and costal trekking but for racings too!

The choice of options will allow you to customize the boat as you need and according to your sailing program.

Possibility of adapted version for racing with asymmetric spy in option, self-tailing winch and sport sails in Mylar.....

Or a coastal and family version with gallery kitchen in option, shelves, chemical toilet, electric panel and mastresses.

FEATURES

CONFIGURATIONS

ASTUS 26.5 • FEATURES

A transportable trimaran under 8 meters, the Astus 26.5 is ideal for solo or family outings, coastal cruising, and even regattas.

Two huge 1900L floats ensure safety, stability, and performance.

A comfortable and safe cockpit, with its coamings and raised helm seat, provides ample room for a large crew in this spacious area.

Whether you opt for leisure or sport sails, jib, Code 0, gennaker, and spinnaker, there's something for every sailor and every point of sail. Self-tailing winches, a mainsheet traveler, a full genoa, and a retractable bowsprit and, all lines leading aft enable manoeuvres to be managed from the safety of the cockpit.

The 5.80m width can be easily shrunk to a marina friendly 3.10m whilst ensuring stability and manoeuvrability.

Compact 2.54m trailer width enables easy transport to different sailing areas, opening up new horizons and adventures.
